

# Public Meeting: T-28b Phase 2 – Witte Road SE

**Tuesday, July 16, 2019**

**6:00 pm to 8:00 pm**

**Lake Wilderness Golf Course  
Grill and Banquet Hall**

25400 Witte Road SE, Maple Valley

## Background

Phase 1 of the T-28b project improved and realigned the intersection approach of SE 256<sup>th</sup> Street and installed a fish passage culvert to reduce upstream flooding issues. T-28b Phase 2 continues the improvement of the Witte Road Corridor from the vicinity of SE 249<sup>th</sup> Place to SE 256<sup>th</sup> Street. Improvements include pavement rehabilitation, addition of non-motorized facilities (sidewalk and bike lanes), retaining walls to increase corridor width in key areas, and undergrounding aerial utilities.

## Project Status

The City of Maple Valley is working with PBS Engineering and Environmental Inc. to complete the design of T-28b Phase 2 after receiving direction from the City Council during a workshop on April 15<sup>th</sup>, 2019. This public meeting will provide an opportunity for the City to share the direction of this project with the public and for the public to ask questions and provide feedback.

To learn more about this project and provide your input:

- Attend an OPEN HOUSE at Lake Wilderness Golf Course Grill and Banquet Hall  
Tuesday, July 16, 2019 – 6:00 pm to 8:00 pm
- Contact Bill Bullock, City Engineer at [bill.bullock@maplevalleywa.gov](mailto:bill.bullock@maplevalleywa.gov)
